7-17-08

Attendance: Vince White, Cynthia Wafer, Cecilia Alvarado, Lily Espinoza, Andre Strong, [Rajan Vaidya AS President](#), [Adrian Boluarte-Chong ICC President](#).

Minutes were approved with revisions

Monthly Secretary

Discussion took place on who would take minutes. It was agreed that everyone would take turns based on alphabetical order. Cecilia Alvarado is this meeting secretary. Ann Hovey or Bob Miranda will take minutes at the next meeting. Vince will place PDF format of minutes on the Cadena website. Room 227 will be the official meeting room for the rest of the year.

2008-2009 CEDC Leadership

Vince clarified that Lily is not a voting member; she is our fiscal agent only. Vince reviewed the vision and mission and informed the committee that the structure of the by-laws and committees is currently in process of completion.

Sharon Kelly suggested that the next time that voting takes place, that the Director of the Cadena Transfer Center be voted as committee chair.

CTC Website

The CTC website is going to be split into two: one for Cadena Cultural Center and the other Transfer. A discussion took place on how the word Cadena is misleading since the translation of the word is “Chains” and not links. The question was, “how will students know that the Cadena Center is a cultural center?” The committee supports Lily Espinoza’s idea to add the word Cultural.

Vince announced that the OCC conference is on hate crime on October 17. If someone is interested in attending please e-mail Vince.
